

Mr. and Mrs. Willie Smith, of near Live Oak, Suwannee county, were in the city one day last week shopping and making old friends. They made the longest pleasant visit and had the most of their subscription to the Democrat put up one year ahead. Mrs. Smith says they have been taking the Democrat ever since it was established and that she could hardly get along without it. Her old home was near this city—in fact she was raised here—and Mr. and Mrs. Smith love Live Oak and Suwannee county next to their own home, and if they should ever decide to leave their county home near Mayo, they will move to Live Oak. They have a comfortable home and a good farm, and although getting along in years, they enjoy life and are happy and prosperous.

The Meanest Man in Town
is the one who always wears a frown, is cross and disagreeable, and is short and sharp in his answers. Nine cases out of ten it's not the poor fellow's fault; it's his liver and digestion that makes him feel so miserable; he can't help being so disagreeable. Are you in danger of getting into that condition? Then start at once taking Ballard's Herbine for your liver—the safe, sure and reliable vegetable regulator. Sold by Suwannee Drug Co.

HENRY DINKINS SHOT

THREE LOADS TOOK EFFECT AND HE MAY NOT RECOVER

JACK CROSBY DID THE SHOOTING

Tragedy Took Place in Valdosta Christmas Morning—Both Young Men Formerly Resided Here.

Christmas morning in Valdosta was ushered in by a tragedy which may end in the death of Henry Dinkins, a well-known young man about town and the facing of a trial for his life by Jack Crosby, who shot Dinkins three times at a resort on Dasher street about 3 o'clock yesterday morning.

It is a difficult matter to arrive at the facts in the case, as it appears that there were no eye witnesses. The young men have not been on good terms for sometime, it being alleged that they had fallen out with one another over a young woman living in one of the houses in the tenderloin district. Dinkins' friends claim that Crosby had even threatened his life.

So far as The Times has been able to learn Dinkins was at the house in question Thursday night and was found there by Crosby, when the trouble between them was renewed. Crosby left the place and came back up town to get an officer to arrest Dinkins, and was accompanied back by Officer Jacobs, who went in the house and told Dinkins his errand, Crosby remaining out in the yard.

Officer Jacobs states that Dinkins told him he would give bond for his appearance, but did not have the money with him and would have to come to town to get it. He started out ahead of the officer, and as he reached the steps, the people in the house heard four or five shots fired in rapid succession, and the officer ran through the door to find Dinkins in the act of falling. Crosby was standing just inside the yard, with his pistol in his hand.

Dinkins was assisted into the house and Dr. Wilson summoned to attend him. The doctor found a bullet hole through his right lung, one elbow shattered by another shot, and a flesh wound in one of his thighs. Dinkins was carried to the Union Hospital and his wounds treated. The shot through the lung is the only really dangerous wound, but it is an extremely serious one, and the physicians at the hospital yesterday considered his chances for recovery exceedingly small. He rested very well last night, and this morning, however, and unless complications set in he may get well.

Young Crosby, whose mother lives at Waycross, has been living in Valdosta for seven or eight months, working as night operator for a portion of the time, and in the ticket office of the Atlantic Coast Line. He stands well with his employers and co-workers in the office. Aside from the assertion that he shot Dinkins in self-defense, he declines to discuss the affair. He was carried to the county jail by Officer Jacobs where he will be kept until the result of Dinkins' wounds is known.

It is not known whether Dinkins had a pistol or not, as in the excitement attending the shooting he was not searched. Crosby used an automatic revolver and fired five shots, three of them hitting Dinkins.—Valdosta Times, Dec. 26.

This sad tragedy is deplored by the friends of both the young men in this city, where they resided at one time. Henry Dinkins, it will be remembered, was for two seasons connected with the Live Oak base ball team, and made this city his home or headquarters for more than one year, while Jack Crosby for a time held a position in the Seaboard freight office, and afterwards worked for the L. O. P. & G. railroad company.

Scientific Spanking
consists in punishment only when a child is actually bad. Some mothers think that all crying is badness; it's not. When your baby cries, look for pins or some external cause, if you can't find them give the baby White's Cream Vermifuge as the chances are it is suffering from worms which keep it hungry and cross all the time. Pleasant to take—sure in its action. Price 25 cents. Sold by Suwannee Drug Co.

Christmas trade was good with Live Oak merchants. The rush a few days before Christmas was greater than ever before in the history of the city, and thousands of dollars in cash changed hands.

For health and happiness—DeWitt's Little Early Risers—pleasant little liver pills, the best made. Sold by Live Oak Drug Co.

We Straighten Cross Eyes
Without Knife

The well known Eye Specialist of No. 9 Laura Street, Jacksonville, will make a professional visit to

Live Oak First Thursday in February

He will remain one day only, and can be seen at

Suwannee Hotel. February 4th

Dr. Armstrong specializes on all Eye trouble and Reflex trouble. It is an established fact that a large per cent. of Nervous and Chronic troubles are caused by latent eye strain. We all know that a derangement of any organ in the body can, through the sympathetic system, derange the whole body. If you are subject to Nervousness, Headache or any Chronic troubles, see Dr. Armstrong. He has cured a great number and may help you. He is a graduate of three of the leading colleges in Ophthalmology in America, and for a number of years an understudy of one of our leading Southern Oculists, and now has associated with him one of the leading Oculists in the State.

KEEP THE KIDNEYS WELL.
Health is Worth Saving, and Some Live Oak People Know How to Save It.

Many Live Oak people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is a Live Oak citizen's recommendation:

T. J. Lyle, watchmaker, Howard street, Live Oak, Fla., says: "Mrs. Lyle had been in poor health for some time. She complains a great deal of pains in her sides, also of headaches. She tired easily and had a weak back. When I saw Doan's Kidney Pills so highly recommended as a cure for these troubles, I procured a box from the Suwannee Drug Co., and Mrs. Lyle began using them. They acted as represented in every way, giving her prompt relief. Doan's Kidney Pills are certainly all that is claimed for them and it gives me pleasure to recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name — Doan's — and take no other.
